Sisowath Highschool

2024- Present

A Junior of Software Engineering

Limkokwing University

Hobby

- Coding
- Playing Sports
- Sharing ideas
- Software Engagement
- Interact with people
- Socializing

Language

English

Khmer

Tek Sophanith

I'm an open-minded person, gathering information and sharing ideas. The crucial things are to truly understand how to interact with customers, as well as to perceive coworkers' thoughts and perspectives, and to recognize what it's like to adapt to society.

Work Experience

2023 - 2024

Arizon School, Toul Kork Campus

Computer Teacher

I had been working as a computer teacher for a year. The job taught me how to be flexible and adapt to the needs of students. Experienced in creating engaging lessons, guiding students through hands-on activities, and helping them build confidence in using technology.

2024-2025

Grand Mount International School

English Part-time Teacher

I have experience in teaching young learners, a motivated part-time English teacher with a strong commitment. Able to teach grammar, vocabulary, and conversational English to young learners. Known for patience, clarity, and the ability to inspire students to improve their language skills with confidence.

Present - 2026

Square Car

Content Creator

I made high-quality video and written content about cars for different social media platforms. Worked on ideas from start to finish to help grow the online community and improve brand awareness.

Technology Skills

- Programming Skills (HTML, CSS, Javascript, Java, Php, C++, Laravel, Flutter)
- Programming Platform (Visual Studio Code, Andrioid Studio, IntelliJ)
- Software Edit (Photoshop, Illustrator, InDesign, Canva, Capcut, Devinci Resolve)
- Microsoft (Word, PowerPoint and Excel)

Soft Skills

- Teamwork
- Communication
- Growth mindset
- Enthusiasm
- Responsibility
- Friendliness
- Flexibility
